

INTRODUCING ADVANCED

Let us handle your influencer marketing initiatives so you can focus on running your company.

- ☑ Unlimited active campaigns
- ☑ Unlimited Marketplace applications
- ☑ Hassle-free tax accounting

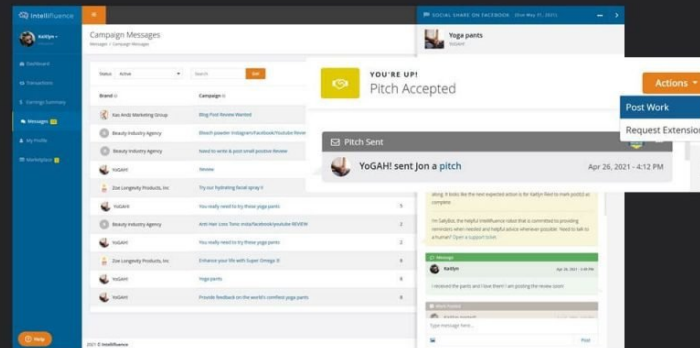

"I know I can trust Intellifluence to delegate the work to the people who know the business."

Rich Bernstein, Director of Digital Marketing, GhostBed

100% Managed Services

From campaign setup to completion, we'll handle the day-to-day work (up to 20 hours per month). Additionally, your friendly Dedicated Account Manager will keep you in the loop.

Multi-Brand Support

Have multiple brands within your organization? Need to keep budgets separate? No problem, Intellifluence Advanced makes it easy to create aliases or sub-brands and transfer funds between entities.

No long-term contracts

Unlike our competitors, we don't require long-term contracts or minimum spends. Breathe a sigh of relief with our straightforward, transparent pricing.
